**STC Celebrates Progress on Headquarters with Topping Out Party**

**Williamsburg, VA –**

Scott Thomas Construction, Inc. (STC), celebrated continued progress on the Walther-Thomas Building on April 13<sup>th</sup> with an on-site ceremony and lunch. Located in Williamsburg, Virginia's Newtown Development at 5372 Discovery Park Boulevard, the two-story, 20,000 square foot structure will be home to STC's corporate headquarters.

STC employees, subcontractors, and others close to the project gathered at the building at noon where STC President, Scott Thomas, kicked off the party with a few words. Thomas said, "I want to take this opportunity thank everyone for their dedication to this project and for the hard work that has gotten us to this point. I think it's important on this project, and on every project, that we take time to think about and celebrate the contribution that we make, as builders, to civilization."

The building, which is targeted for completion by June 2007, will be a multi-tenant building. STC will occupy the entire second floor.

**About Scott Thomas Construction, Inc.**

Scott Thomas Construction is a national general contractor that specializes in supporting the construction needs of emerging and expanding retail and restaurant chains. Established in 1977, the firm has worked with some of the nation's most prominent brands, providing construction services across the country. To date, STC has completed more than 1500 projects in 45 states for more than 100 clients.
